Term 3 Newsletter

WELCOME BACK TO TERM 3!

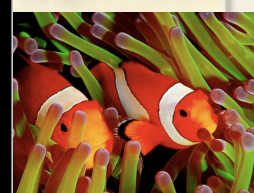

I hope everyone had an enjoyable holiday and that you are all ready to begin the new term full of energy!

A few reminders for this term...

- * Children are encouraged to wear slippers/socks in class. Children need to remember to take off shoes before coming into the class.
- * If you haven't already done so, could each child please bring a **large box of tissues** to share with the class, to help minimize germs and spreading of colds.
- * I hope everyone received their child's mid-year report during the last week of term. If you would like to see me to discuss anything, please e-mail, or make a time to see me (when dropping off your child) during the first week. Remember, this report is what your child is working **towards** and what the next steps of their learning is being taken.
- * Home Learning, Mathletics and Spelling/Times Tables will continue as per normal, with extra activities on some weeks. Please encourage your child to finish their homework to a high standard (ie: not a rush job) and on time. Children who are not doing this will go on the warning board as a consequence and will have to complete it in their lunch time. Aim for 1000 points in Mathletics - Class computers are available for this in the mornings.
- * If you are still keen to do parent help this term, please e-mail me so I can make a roster for this term.
- * Smiggle products - if your child is bringing these to school, make sure they are labelled. These are the children's responsibility and they will be taken off them if they are playing with them instead of working.
- * SkoolStars costumes need to be labelled and brought in a plastic bag by Wednesday.

Leanne Thompson

INQUIRY TOPIC
Worlds within Worlds
Exploring and investigating different worlds within our own - space, science, technology, animals...
